

Personal Interviews with Viking Cruises

Viking Cruises is the world's leading river cruise line with a fleet of 80 state of art and award winning river cruise ships.

As the leading river cruise line by far Viking is offering unique itineraries throughout Europe sailing the rivers Rhine, Main, Danube, Saone, Rhone, Seine, Garonne, Elbe, Douro and even Volga and Dnepr. Depending on the itinerary the river cruise ship has a size of 56-95 staterooms and can cater for 40 up to 256 guests and 32 - 138 crew on board.

All passengers sailing with Viking Cruises are English speaking, well-educated and interested in travelling, as well as cultural and culinary experienced throughout their journey.

Hence Viking Cruises is looking for English affluent candidates m/w/mx which are committed to excellence, strongly guest orientated, dynamic and flexible with a proven background and professional education within the tourism, hotel and catering industry.

As employer Viking takes great care of its international crew and offers a clear promotion guideline to assist you growing within the company. A French/ or Swiss working contract with paid health and social insurance including pension fund, free Wi-Fi connection on board and many additional benefits Viking Cruises provides an international work environment sailing comfortable through Europe.

The Assessment Center will be organized at a centrally located hotel in Bratislava with a comprehensive company presentation followed by individually one to one interview sessions with a recruiter from Viking Cruises.

Expected contract start will be for start of season 2023 by March 2023 and Viking is looking for you to join its award winning team on board!
